

UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF OHIO
WESTERN DIVISION

Anita Madison, et al.,

Case No. 3:23-cv-2408

Plaintiffs,

v.

ORDER

City of Toledo,

Defendant.

Plaintiffs filed a Complaint in this case on December 18, 2023. (Doc. No. 1). Federal Rule of Civil Procedure 4(m) provides:

If a defendant is not served within 90 days after the complaint is filed, the court--on motion or on its own after notice to the plaintiff--must dismiss the action without prejudice against that defendant or order that service be made within a specified time. But if the plaintiff shows good cause for the failure, the court must extend the time for service for an appropriate period.

Ninety days have elapsed since the filing of the Complaint, and there is no indication on the docket that Plaintiffs have perfected service on Defendant.

By April 18, 2024, Plaintiffs shall either show service has been perfected or show cause for the failure to do so. If Plaintiffs fail to do so, this action will be dismissed without prejudice under Rule 4(m).

So Ordered.

s/ Jeffrey J. Helmick
United States District Judge
